DISCLOSURE INFORMATION

I hereby apply for all non-contributory coverages under my employer's plan and any contributory coverages that I have elected on the front of this application.

HSA Pre-enrollment Statements

WARNING: You cannot open an HSA if, in addition to coverage under an HSA-qualified High Deductible Health Plan ("HDHP"), you are also covered under a Health FSA or an HRA or any other health coverage that is not an HDHP.

By checking the HDHP-HSA box in this Medical Enrollment Form, I express my intent to open a Health Savings Account (HSA) with Bank of New York Mellon, Health Savings Account (HSA) Solution℠, an HSA service provider arranged by CIGNA or any other successor HSA service provider arranged by CIGNA (hereafter "the HSA Service Provider"). The HSA Service Provider will contact me and provide me with an HSA enrollment form, a signature card, a request for information for Customer Identification Program compliance and other related materials necessary to activate an HSA account with the HSA Service Provider. I understand that, in order for my HSA opened with the HSA Service Provider to become operational, I must: 1) in a timely manner, complete, sign and submit all the forms required by the HSA Service Provider; and 2) be found to meet all of the requirements prescribed by the HSA Service Provider.

However, if my employer has **not** selected Bank of New York Mellon, Health Savings Account (HSA) Solution℠ as the HSA service provider, I express my intent to open the HSA with an HSA custodian/trustee that is either arranged by my employer or that I personally select. I agree to complete necessary forms and meet the requirements set forth by the HSA custodian/trustee to enable my HSA to become operational.

I understand that, with respect to my HSA opened pursuant to this arrangement, the HSA trustee/custodian will be solely responsible for all HSA services, transactions and activities related thereto. Neither my employer nor CIGNA is responsible for any aspects of the HSA services, administration and operation.

I certify that I have enrolled or plan to enroll under an HDHP and am not covered under any other health coverage that is not an HDHP.

HRA PPO Plan

HRA coverage can only be chosen together with the HRA PPO Plan option. Your HRA coverage is self-funded by your employer, who is solely responsible for contributing the funds used to pay HRA benefits. You are not required to make any contribution to the HRA account, either pursuant to a salary deduction election or otherwise under a Section 125 cafeteria plan (except that contributions are required from those under COBRA continuation coverage). You may not enroll under this option if you are considered self-employed (including partners and more-than-2% shareholders in a subchapter S corporation).

Health coverage

I understand that I must submit a Certificate or evidence of prior creditable coverage to receive credit towards the satisfaction of any pre-existing condition limitation specified in my employer's plan; and to be eligible for credit, the gap between the two coverages must be 63 days or less.

I and/or my eligible dependent(s) will be considered a *"Special Applicant"* if:

- I did not previously elect to cover myself and/or my eligible dependent(s) under my employer's policy/plan because of other health coverage and I later apply because the other coverage terminated due to exhausting the maximum of COBRA coverage or due to loss of eligibility for coverage due to legal separation, divorce, death, termination of employment or reduction in the number of hours of employment; or
- I did not previously elect to cover myself and/or my eligible dependent(s) and I later apply for coverage because of a change in my family status resulting from marriage, birth or adoption or placement for adoption of a child, or a court has ordered me to provide coverage for my dependents; or

I understand that to qualify as a *"Special Applicant"* I must apply for health coverage for myself and/or my eligible dependent(s) within 31 days after:

- Coverage under the prior health plan ends; or I marry; or I acquire a new child through birth, adoption or placement of a child for adoption.

I will be considered a late applicant if:

- I fail to qualify as a *"Special Applicant"* because I did not apply within the 31 days as specified above; or
- I did not previously elect to cover myself and/or my eligible dependents and I later apply.
- My employer offers multiple health plans and I have decided to elect a different plan during the open enrollment period.

As a late applicant applying for health coverage, I realize that I may only be allowed entrance to the plan during the open enrollment period. As a late applicant, I realize that my entry to the plan may be subject to special enrollment requirements and that I must contact my Plan Administrator for details.
